

CITTÀ STUDI BIELLA

University Education

Academic Year 2023-2024

WELCOME TO CITTÀ STUDI BIELLA

The campus of the University of Biella is within the Città Studi complex, founded in the 1980s on the initiative of various public and private organisations and associations, to meet the training needs of the territory in the field of university and professional education, while also developing applied research activities, services, and conference and cultural events.

The Biella campus is home to the **University of Turin**.

UNIVERSITY RESIDENCE

Within the Città Studi Biella Campus there is a residence: a modern, convenient structure, designed to accommodate students, equipped with spacious, comfortable rooms, kitchenette, living and sleeping areas, cleaning and laundry services, and internet connection. Here students can experience a high standard of living in complete freedom and autonomy. The atmosphere is that of an international student-friendly campus animated by university life that facilitates interpersonal relationships and leaves room for relaxation and recreation. The residence is connected to the university building by an overpass that allows students to move easily around the entire university buildings facility.

RESIDENCE STRUCTURE SERVICES INCLUDED

- 33 double rooms
- 6 two-room apartments
- 3 studios
- 12 single rooms
- Room cleaning
- Equipment and change of linen
- Each room type has a fully equipped kitchenette
- Laundry
- Common rooms with TV
- Equipped mini-gym
- Car park

SPORTS FIELDS

The basketball, volleyball, five-a-side football and tennis courts are made available free of charge to all students and citizens, with the same opening hours as the library, for organising tournaments or simply playing with friends.

CAFETERIA

On the university campus there is a cafeteria, self-service bar and meeting place for students, lecturers and all those who wish to have breakfast or lunch on the university campus.

The EDISU catering service with reduced rates is in operation.

Master Degree Course

CULTURAL HERITAGE AND CREATIVITY FOR TOURISM AND TERRITORIAL DEVELOPMENT

A group of *Cultural Heritage* students admire the Grand Gallery of La Marmora Palace - Biella

COURSE OBJECTIVES

The Master Degree Course addresses the issue of the tourism-territorial system development, by focusing on cultural heritage and cultural and creative enterprises as agents of sustainable, integrated and lasting development.

JOB OPPORTUNITIES

The course aims to train students to become professionals with an extensive interdisciplinary knowledge in the cultural tourism sector, based on the enhancement of cultural heritage and creativity as development engines of the territorial and tourist system. In addition, there is a focus on sustainability and integration with the environmental and natural heritage.
